**NUMBER OF BACKYARD CHICKENS TO BE KEPT AT THE PERMIT ADDRESS (5 MAXIMUM):** \_\_\_\_\_

No person shall maintain a chicken coop and/or chicken run unless granted a permit by the City. The permit shall be subject to all terms and conditions of Section 205.160 of the City Code and any additional conditions deemed necessary by the City to protect the public health, safety and welfare. The necessary permit may be obtained from the City Clerk's office or online. Prior to issuance of the permit, we require a scaled diagram that indicates the location of any chicken coop and run, the approximate size and distance from adjoining structures and property lines. It must conform to Section 205.160 of the City Code.

If the requirements of Section 205.160 are not complied with, the City may revoke any permit granted and/or initiate prosecution for a civil infraction violation. A person who has been issued a permit shall submit it for examination upon demand by any police officer or code enforcement officer. Notwithstanding the issuance of a permit by the City, private restrictions on the use of property shall remain enforceable and take precedence over a permit. A permit issued to a person whose property is subject to private restrictions that prohibit the keeping of chickens is void. The interpretation and enforcement of the private restriction is the sole responsibility of the private parties involved.
